2024-2025 SCHOOL PROFILE

Florida Prep Community

Founded in 1961, Florida Preparatory Academy is on the National Aeronautics and Space Administration (NASA) historic site known as the “Space Coast.” Our campus is set on 11 acres of lush, tropical landscape. It boasts many amenities, facilities, and recreational areas, including a full-sized athletic and sports field, baseball diamond, gymnasium, all-weather tennis courts, and an outdoor stage. Serving grades 6-12, Florida Prep is a co-ed day and boarding private school dedicated to nurturing global citizens and leaders. With a program supportive of our diverse student body and a rigorous STEAM-focused curriculum, Florida Prep offers a unique learning experience that equips our students for life-long success and creates conscientious, dynamic global citizens and leaders.

Dual Enrollment

Dual enrollment is a proven way for ambitious students to pursue an advanced curriculum relevant to their anticipated future major and a cost-effective way to get a head start on college. While attending Florida Prep, qualified students can earn college credits for Liberal Arts and Humanities courses at Eastern Florida State College. Credited enrollment is also available at the Florida Institute of Technology for studies in aeronautics, aviation, engineering, computing, and higher-order mathematics, among other advanced subjects.

Florida Prep Flight Program

Thanks to our alums generous support and the enhanced presence of a RedBird simulator on campus, we are thrilled to offer the flight program at Florida Prep. This initiative aims to propel our aspiring Falcons into esteemed and fulfilling careers in aviation. Flight training holds a distinguished place in Florida Prep’s heritage. Since 1961, hundreds of students earned private pilot licenses before graduation.
