

SAY HELLO TO SUMMER LANGUAGE STUDIES AT FLORIDA PREP

Are you a new English language student or a student seeking an English Immersion Program to prepare you for entry to a U.S. High School or College?

Florida Prep's English Immersion Program is designed to equip you with the skills you require!

From the moment your arrival on campus emphasis will be placed not only on speaking well, but also reading, writing listening and vocabulary. Field trips throughout the duration of the program will enable you to practice your skills in real-life situations, to experience American culture and meet other students from around the world.

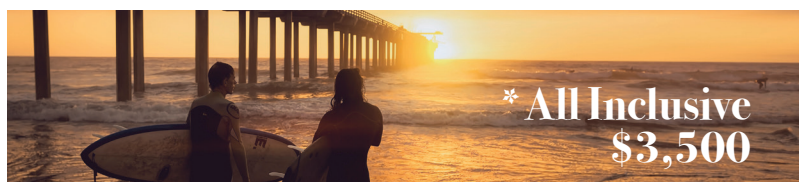

Each day is different and focuses on an objective or activity.

OUR CAMPUS

Florida Prep is located on the East coast of Central Florida, just a 60 minute drive from Orlando attractions and the Orlando International Airport.

Our historic campus offers a unique blend of tropical foliage and Spanish style architecture and is only a short drive from the pristine beaches of Florida's Space Coast, the iconic surf center of Cocoa Beach and Kennedy Space Center.

Participants in Say Hello will share dormitory rooms and will reside on campus.

A TYPICAL DAY

May include classroom instruction followed by a visit to a local supermarket to order lunch, a visit to the theatre to purchase tickets for a show, or practicing your conversational skills at the local mall.

You will be encouraged to review your activities nightly in an English journal; creating not only a diary of events, but a personal memento of your time here in Florida.

WEEKLY FIELD TRIPS

Hands-on projects and fun activities, along with visits to Orlando attractions and other Florida landmarks will fill your days and weekends. You will also join with Florida Prep Summer Camp attendees on field-trips and projects, allowing you to practice your newly learned language skills.

EARN A HIGH SCHOOL CREDIT!

For students wishing to pursue an advanced syllabus, complete with a High School Credit, an intensive fast-track program that includes night-time study is available upon request.
